<p>*Brief Project Description Please provide a brief description of your project (250 character max.)</p> <p>*Name of church (location and dedication) E.g. Westminster, St. Matthew</p> <p>Address of Church</p>	<p>The re-tiling of the south slopes of the nave and chancel with associated flashings and the like. To be carried out in accordance with the Specification of Works by Jonathan Saunders (QI Architect).</p> <p>St. Mary the Virgin, Silchester</p> <p>*Address1: Church Lane Address2: Silchester Address3:</p> <p>Town: Reading County: Berks *Postcode: RG7 2HH Country:</p> <p>Winchester</p> <p>Winchester</p> <p>http://www.silchesterchurch.co.uk/</p> <p>Unregistered Charity</p> <p>249276</p> <p>Grade I</p> <p>40</p> <p>1000</p> <p>104</p> <p>1500</p>
<p>*Diocese</p> <p>Archdeaconry (if applicable)</p> <p>Church Website (if applicable)</p> <p>*Legal Status For more information please click on the question mark (?)</p> <p>Charity Number (if applicable)</p> <p>Listing status of church building</p> <p>Average Sunday Attendance</p> <p>Parish Population (approx.)</p> <p>Electoral Roll</p> <p>Average no. of visitors per year</p>	<p>Winchester</p> <p>Winchester</p> <p>Unregistered Charity</p> <p>249276</p> <p>Grade I</p> <p>40</p> <p>1000</p> <p>104</p> <p>1500</p>
<p>Use of Church Outside of Worship Please tell us about the church's use outside of worship (e.g. concerts, community activities)</p>	<p>The church is open every day from dawn to dusk (key rota system) and during summer at weekends there is usually someone in church to guide visitors round. If there is no guide visitors can follow the history of the church on laminated cards distributed about the church along with a booklet for sale in the church. A recent extension provides modern facilities with a kitchen and toilet area. Since the extension was built the church community has expanded and now thrives with visitors, concerts and events. It hosts the University of Reading annual 'dig' in the Roman Town of Calleva Atrebatum as an education centre with weekly talks. There are a number of musical concerts held in church each year along with Lent and Advent lunches. The church is also an increasingly popular venue for weddings and baptisms.</p>
<p>Date of latest quinquennial inspection report</p>	<p>22/06/2015</p>

Brief description of current condition of building	<p>The 2015 Quinquennial Inspection found the Fabric, apart from two key areas, to be of good condition. The South Roof and Bells refurbishment (a longer-term separate project). This is for the South roofing project only. The plan is to survey the roof area as part of the works. We would also perform other roof-level works whilst scaffolding is in place to save costs. All work to be under Architect supervision. Key points for this work request (based on QI) are:-</p> <ul style="list-style-type: none"> • Repoint cover flashings 11 • Repair defective tiling 12 • Remove moss from roof slopes 7, 10 • Re-roof South slope to Nave and Chancel 8 • Re-shingle Tower and Spire 39

*Amount Requested Please press (?) for additional details		5000
*Total Project Cost		67499

(Excluding professional fees and VAT)

Project VAT Cost (if applicable) 13500

*Total Funds Raised to Date (If no funds raised to date, please enter '0') 65113

*Breakdown of funds received
Please list amounts raised and sources and indicate if you have obtained support from Heritage Lottery Fund, English Heritage, CADW, Historic Scotland or the DoENI (where relevant). Contribution From PCC funds of: £10,013.00; Listed Places of Worship roof grant: £55,100.00.

*Project Shortfall
Project shortfall = total project cost - funds raised to date 10896

*Please provide a breakdown of how you will raise the funds required in order to meet your shortfall
e.g. pending grant applications, future fundraising events etc
Building programme is phased to run with available cash flow and tightly monitored. Option of roof-only completion without tower work would double that cost as an individual project. Listed Places of Worship have invited us to apply for additional grant of £5896 under the circumstances (costs uplift following delays not under our control, the unfortunate demise of project manager and a required bat survey). Note we have also factored in an LPW VAT reclaim grant.

*Faculty or Other Approvals
Work proposed may need a faculty, approval under the Care of Cathedrals Measure, or other approval from a local authority. Has this been sought? Obtained

Anticipated project start date (If known - NB work cannot be funded retrospectively) October 2017

Anticipated project completion date (If known - NB work cannot be funded retrospectively) January 2018
