

Holy ground rules

When reviewing your Rule of Life, whether in twos or threes, or as a whole group, it may be helpful to agree to:

- **Keep the content confidential**
- **Divide the time equally**
- **Really listen to one another**
- **Encourage one another to keep going**
- **Pray for each other there and then, and between meetings**

It may also be helpful to ask each other questions such as:

- *How are you seeing God at work in this?*
- *Which commitments seem to be working well? Not so well?*
- *What, if anything, needs modifying?*
