Bishop's Commission for Mission (BCM)

Programme Streams Available APRIL – JULY 2018

Are you a lay person? Would you like some input for your existing ministry, or for a developing vocational path? More interested in learning from passionate practitioners and others in ministry than in getting a formal qualification? Want help to see your ministry through a missional lens? Then **Bishop's Commission for Mission** could be for you.

BCM is a lay training programme focused on enabling church members to live missionally in every part of their lives, equipping them to live out their vocation to the full. Through participating in the programme we believe God will shape you for your place in his mission.

To qualify for the training programme you will need to be recommended by your incumbent and PCC, who will usually pay your training costs. (There is a discount to the PCC when 3 or more people attend from the same benefice.) Once you have successfully completed the programme, you will be commissioned by the Bishop of Winchester for your role.

BCM Pastoral: led by Andy Saunders

Equipping those with a pastoral heart to be pastoral in all contexts

This is for those with a pastoral heart. The training will cover a foundational understanding of the missional context we are in, the core skills required for pastoral work in your church/community, as well as input from passionate personal practitioners on specialist areas, in this case growing older, coping with dementia and talking to people about their faith. You will learn from others who are pastoral in different contexts and also through engaging with a portfolio during the training.

BCM Disciple Maker: led by Phil Dykes

Nurturing existing disciples and growing new disciples in today's world

This is for those who have a passion to help *others* grow in their faith. We will explore what being a disciple means and how disciples can grow up into maturity. We will offer tools to use in a one-to-one context, in small groups and give a vision for how the local church might help grow new disciples.

Please note: this is a pilot programme and the session titles/content may change. If you join this stream you will be helping to shape the material for future participants.
