Bishop's Commission for Mission (BCM)

Programme Streams Available Valley Park - Autumn 2018

Are you a lay person? Would you like some input for your existing ministry, or for a developing vocational path? More interested in learning from passionate practitioners and others in ministry than in getting a formal qualification? Want help to see your ministry through a missional lens? Then **Bishop's Commission for Mission** could be for you.

BCM is a lay training programme focused on enabling church members to live missionally in every part of their lives, equipping them to live out their vocation to the full. Through participating in the programme we believe God will shape you for your place in his mission.

To qualify for the training programme you will need to be recommended by your incumbent and PCC, who will usually pay your training costs. Once you have successfully completed the programme, you will be commissioned by the Bishop of Winchester for your role.

BCM Children, Families & Youth – Autumn 2018

led by Andy Saunders, School of Mission

Location: St Francis, Valley Park. SO53 4ST

This BCM is aimed at those who are in leadership in the area of children, family or youth ministry in their church. They may also be the leader of a programme like Messy Church, or have oversight over all the ministry with 0 – 18 years old.

Once you have completed this BCM we believe you will be resourced and equipped to lead the team(s) who work alongside you and be able to bring new ideas and personal vision to see these ministries develop to their full potential in your parish's ministry and outside the church.

BCM Disciple – Autumn 2018

led by Phil Dykes, School of Mission

Location: St Francis, Valley Park. SO53 4ST

This is for those who have a passion to help *others* grow in their faith. We will explore what being a disciple means and how disciples can grow up into maturity. We will offer tools to use in a one-to-one context, in small groups and give a vision for how the local church might help grow new disciples.

Please note: this is a pilot programme and the session titles/content may change. If you join this stream you will be helping to shape the material for future participants.
