NOTES:

- **Affluence Bands:** Every parish is assigned an affluence band from A (low) to G (high) based on external data from Parish Spotlights and Experian. Changes to affluence bands can only be agreed following a detailed review of postcodes.
- **Worshipping Community:** The Worshipping Community figure is based on a 3 year rolling average. Where a PCC has not submitted an updated worshipping community figure by the deadline we have had to utilise the data from the previous year.
