Prophetic Global Citizenship

*Re-imagining, Focusing & Engaging God's World Around
Us*

**“This really is the Prophet, the one who is to
come into the world.” (John 6:14)**

*Jesus the Prophet shows us a new world in practice;
By his Spirit we are called to enact this new world*

Bishop Tim

DIOCESE of
WINCHESTER

What are the Conference Outcomes?

Using the '3 Ps' (Philip 3:10-11)

- Be inspired for a **passionate personal spirituality** – gaining confidence for everyday faith through John's Gospel and *Understanding Christianity*
- Agree a 'delivery' plan for mission deployment – ministers and resources that will support the life & mission of our **pioneering faith communities**
- Explore practical ways of developing collaborative social engagement: **prophetic global citizenship** –Schools; Launchpads; HE&FE Outreach; Silver Eco-Diocese; Troubled Families; Companion Links etc

'The Diocese'

- A Community of Communities. A portion of the people of God in a region – **the local church**
- Its life and mission is **led by some** (Bishops, Presbyters and Lay Leaders) and **lived by all**.
- As a community of communities, it also has an organisation and works as an institution – **Synod!**
- Winchester Diocese includes much of Hampshire & East Dorset. With 1.25 million; **25,000 Anglicans**.
- Every Diocese, intentionally or not, has 'VMPV': Vision, Mission, Purpose & Values; **& Delivery Plan**

Levels of Diocesan Mission in a Church for the Nation

Diocesan Culture: Vision, Mission, Purpose, Values and Delivery Plan

- **Vision:** 'becoming a mission-shaped Diocese' (5 Marks of Mission; 'Mixed Economy') – **when**
- **Mission:** *Living the Mission of Jesus* (4 Strategic Priorities) – **what**
- **Purpose:** *Sharing God's Life* (Rule of Life: 3 simple dimensions – loving, living, serving) – **why**
- **Values:** 'sustainable growth for the common good' (values & virtues yet tba) – **who**
- **Delivery Plan:** The Way We Do Things – **how**
- **Where?** . . . in Winchester Diocese!

'This really is the Prophet, the one who is to come into the world.' (John 6:14)

- *Prophetic Passover Picnic – God's world with Jesus!*
- Spiritual horizon – God's will unites heaven & earth
- Stewardship horizon – caring for lake, desert & grass
- Social horizon – 5,000 = making 'glocal' community
- *Re-Imagine: The One, the Few and the Many*
- *Focus: "What is that (5 & 2) amongst so many?"*
- *Engage: "make them sit down"; "no fragments"*
- Jesus **did prophecy**: he engaged, changing the world!
- *The **Prophet** is still coming into World!*

What we hope to accomplish in Deployment sessions this week

- ⊕ Reflect on how deployment can help us be and do what God is calling us to**
- ⊕ Share insights and learnings with each other & understand each other's contexts better**
- ⊕ Agree principles and direction for Deployment over the next 3 years (2020-2), which give basis for further change 2023-5, but also retain flexibility**
- ⊕ Enable preparing for implementation phase in 2020**

Way of working

- ❖ Recognise we are treading on holy ground for some people
 - ❖ Their sense of call and work they have invested in for years
- ❖ Recognise a large diocese needs a range of models: not 'one size'
- ❖ Focus on the core of practical deployment issues
 - ❖ Many issues adjacent to it, do keep them in view
- ❖ Beware of, and call out, 'exaggeration as avoidance'
 - ❖ 'Be more radical' – yes but don't risk us not doing anything
- ❖ Avoid the 'perfect set up as the enemy of the good'
 - ❖ 'Will this fix everything at once?' – It's not all or nothing
