

DIOCESE of  
WINCHESTER

# Diocesan Prayer Cycle

1<sup>st</sup> October - 31<sup>st</sup> December

What is a Diocese and how do we work together within it? At its simplest, a Diocese is a geographical area; a region; a collection of parishes, benefices, deaneries, archdeaconries. But it is more than that – it is a gathering of all our communities in mutual support for each other. And as the Diocese of Winchester, we each play our part in the growth of God's Kingdom committed to our vision of 'living the mission of Jesus'.

This prayer diary helps us to get to know each other better, to find out what is happening across the area and to see how God is working and using us all in his mission across the region. The early church shared good news of what was happening across a wide area, as churches grew, and more people came to know Christ. In their commitment to love and care for one another, prayer lay at the heart of their lives.

As we use this Prayer Diary, let's seek to share that love and care for each other and to rejoice in what God is doing amongst us.

+ Debbie Southampton

## DIOCESAN PRAYER CYCLE (DPC)

## OCTOBER 2020

### **This month... how might you pray for young people?**

For example, you might focus on school leavers, students, youth workers, community centres, young people in trouble...

### **How might you be part of the answer to your prayers?**

For example, you might make a point of smiling at young people in the street; volunteer for a helpline; get involved with your local Further Education College; support parents you know whose young adult children are struggling...
