

DIOCESE of
WINCHESTER

Diocesan Prayer Cycle

1st July – 30th September

I am often challenged when I read the opening words of Paul's letters in the New Testament, where he reminds his readers that they are constantly in his prayers. Think about the impact for the Philippian Christians as they read these words:

'I thank my God every time I remember you, constantly praying with joy in every one of my prayers for all of you, because of your sharing in the gospel from the first day until now.' Philippians 1: 3-5

Many of you will be able tell stories of the impact of having others pray for you. Some of you are prayed for every day by friends or family members. Others have been held close to God through times of challenge when your own prayers have felt inadequate or even impossible. And most of us can recount the importance of others' prayers when we have been ill or facing difficult choices.

What a joy to pray for one another.

So why I am challenged by the words of Paul? Why do I find it difficult to pray when that is the thing I so desperately desire? Perhaps I forget that prayer is a joy

and think of it as a responsibility that weighs heavily. Or maybe I just don't carve out the time to spend in God's presence.

The Prayer Course is a great resource to encourage us to pray more regularly and it contains a simple reminder of how we can approach prayer:

- Keep it simple
- Keep it real
- Keep it up

Prayer is a conversation with God and we can speak with him outdoors in nature, as we go about our daily work, as we gaze out of the window, with words or in silence. So however you use this prayer cycle, may you find great joy as you remember before God sisters and brothers across the diocese and around the world.

+ Debbie

DIOCESAN PRAYER CYCLE (DPC)

JULY 2021

This month... how might you pray for transport & communications?

For example, you might focus on those who maintain our roads and railways; the work of regional airports, especially Southampton; those making holiday journeys...

How might you be part of the answer to your prayers?

For example, you might advocate for improved disabled access in your local area; help someone learn how to use email/the internet; choose to be an influence for good on social media...
